## NH-ARES LOCAL GROUP CALL SIGN USAGE

**Identifying:** In general, ARES operators should use their FCC call only when required by FCC rules, and use a logical tactical call sign if one is appropriate.

**NH-specific local ARES club call signs** listed below are designated for use with Winlink and other digital stations, and may be used for local net NCS stations at the EC's discretion.

Calls assigned to specific officials (W1SEC, K1CMD) are to be used only by the person filling that operational position at any given time.

Local group calls listed here will NOT be used on Section voice or CW nets. Local liaison stations to the Section (state-wide) nets will use a tactical call indicating their area, i.e. Cheshire County and ID with their own call only as required by FCC rules (at the end of each exchange, and at ten minute intervals for longer exchanges). Net control stations will use their own call and the tactical call NCS unless directed by the ACO to use K1NCS.

W1CPL	Capital Area
W1CEN	Central NH
K1CHR	Cheshire County
W1COS	Coos County
W1ROC	East Rockingham County
K1MHT	Greater Manchester Area
K1HIL	Hillsborough County
K1MWV	Mt. Washington Valley
W1GRF	Southern Grafton County
K1STF	Strafford County
W1SUL	Sullivan County
K1WRK	West Rockingham
W1RTM	RED Team
KB1CFL	State EOC (NH-BEM Club Callsign)

### **NH Section Calls** (Optional use)

K1CMD	ARES Communications Officer (ACO)
W1SEC	Section Emergency Coordinator (SEC)
K1NCS	Section Net Control Stations (NCS)
